

Teaching Nomad

Recruitment Services

Hire an all-star team with Teaching Nomad

Recruiting the right teachers for your school has never been more of a challenge. There's always a shortage of qualified, well-experienced teachers, and finding the right fit for your school can be difficult, time consuming, and costly.

Utilizing the latest technology and a targeted marketing approach, TN continues to connect its clients with highly-qualified and motivated candidates.

About us

TN was founded in 2011 in Shanghai, China and has quickly grown into one of the top education recruitment firms internationally.

With staff operating from Europe, China and the US TN truly has a global approach to recruitment and availability to suit all time zones.

Affordable, quality service

TN subscription services are designed to be better value for schools that need to hire multiple teachers. Pay a 1-time fee, and hire all of the teachers that you need with no extra charges.

Our goals

- To provide the most value for our clients
- Provide schools a high volume of stable candidates
- Continue to be the go-to source for international teachers globally

Our numbers

- 1,000+ new applicants each month
- Database of over 70,000 educators
- 25,000+ website visits per month

Our track record

- #1 ranked recruiter on GoOverseas
- We have 200+ schools in more than 20 countries
- Over 95% of our teachers successfully complete their contracts

Working with your account manager

Every one of our clients is assigned an account manager who they work with year after year.

Your account manager's job is to:

- Guide you through creating your free school profile to attract teachers to apply to you
- Optimize your job posts for best results
- Help you obtain the best possible results
- Provide advice for hiring, salaries, and more

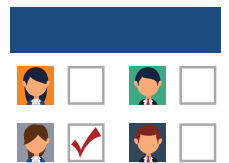

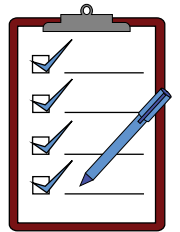

Create your Free Employer Profile

How our subscription service works

1. Pay a monthly or annual fee for all your recruitment needs.
2. Create a free school profile to showcase what your school can offer and attract teaching talent to your school.
3. With database access, you can search the database for teachers and can connect with those you are interested in.
4. Contact applicants you are interested in directly
5. The decisions to interview and hire candidates are completely up to you. Built-in applicant tracking makes it easy to track your applicants and understand how your job posts are performing
6. You make the offer and hire the candidate directly
7. No need to pay any per-hire fees!

Client & Teacher Reviews

“

I really appreciate the initiative and thoughtful attention to detail that Teaching Nomad provides - it's my pleasure to recommend them to teachers and employers.

**Brantley Turner | Principal
Shanghai, China**

“

Teaching Nomad has been an invaluable resource for staffing teachers at our schools in China. I highly recommend them for their high quality candidates and professional practices.

**Adam Kirk Edgerton | Previous VP
Shanghai, China**

“

Teaching Nomad has been wonderful to work with. The team is amazingly efficient and has provided our school with many successful teaching and administrative candidates. Our exclusive account manager is immediately responsive to our school's needs, and has provided us with many strong applicants. I can't speak highly enough of the work Teaching Nomad does. I place great trust in what their team does.

**Kelley Ridings | International K-12 Principal
SMIC Private School, Shanghai, China**
